Residential Energy Efficient Program - Incentive Form Terms & Conditions

Rebate Eligibility:

Proof of purchase and installation receipts are required for each rebate request. Appliance (equipment) must have been purchased and installed after home's original occupancy date. New constructed homes that are purchasing and installing water heating or programmable thermostat does qualify for rebate. To qualify, products and services must be purchased in the current year. Proof of purchase must accompany a completed energy efficiency rebate application form.

Rebate Qualification:

Equipment must be installed or service performed in an existing or new constructed home located in Cheyenne Light's service territory. Applications are subject to verification by Cheyenne Light. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed. Rebates are only available for customers owning an existing single-family home or multi-dwelling units. Multi-dwelling units are subject to equipment onsite verification by a Cheyenne Light representative.

Rebate Limitations and Limitation of Damages:

Payment of the rebate by Cheyenne Light Fuel & Power does not warrant the performance of qualifying /installed equipment and does not warrant that the qualifying/installed equipment will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying equipment. Neither Cheyenne Light, its parent company, affiliates, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or processes disclosed or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsements, recommendation, or favoring by Cheyenne Light, Fuel & Power, its parent company affiliates, officers, employees or it contractors.

Equipment and Service Qualifications
